DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after non-final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 7/3/06 has been entered.

Allowable Subject Matter

2. The following is a statement of reasons for the indication of allowance subject matter: the prior art of record does not teach or suggest the combination of the chip has a first electrode on the bottom surface with a second and third electrode on a top surface. A first lead element with an inner portion electrically connected to the first electrode via a mounting element. A second lead element having a inner portion being bonded and electrically connected to the second electrode. A third lead element with a inner portion above and spaced apart from the top surface of the chip along with the other limitations in claims 30 and 39.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
